WIZARD:

Language

The Wizard screen is divided into two columns: Language and Locality. The Language column has a list with 'English' selected and highlighted in green. The Locality column has a list with 'Italy' selected and highlighted in green. At the bottom, there is a 'Next' button. Red annotations include a circle with '1' next to the Language list, a circle with '2' next to the Locality list, and a circle with '3' next to the 'Next' button, with a red arrow pointing to it.

The Privacy statement screen displays a scrollable text area with the following content: "We fully respect your privacy, so we hereby prepare this Application Privacy Statement (hereinafter referred to as this statement) so that you can understand how we collect, use, disclose, protect, store, and transmit your personal data. Please read this statement carefully. If you have any questions, please let us know." Below the text, it states: "Personal information refers to all kinds of information recorded electronically or otherwise that can verify the personal identity of a natural person, either independently or in combination with other information. This statement describes how we process your personal information but does not cover all scenarios. The products or services discussed, mentioned, and introduced in this statement are not all available to everyone or in all geographical locations. How specific products or services process your personal information is published by us in a special privacy notice or supplemental statement for that product or service. In addition to this statement, it is recommended that you read the privacy notice or supplementary statement when using specific products or services. This statement applies only to personal and enterprise products, including computer applications, mobile Internet applications, software, toolkits, and services that display or refer to this statement." Below this, it says: "This statement will help you understand the following: I. How we collect and use your personal information II. How we use cookies and similar technologies". At the bottom, there is a checkbox labeled "I have read and agree" which is checked, and an "OK" button. Red annotations include a circle with '1' next to the checkbox, a circle with '2' next to the "OK" button, and a red arrow pointing to the "OK" button.

Edit date/time

The Wizard screen displays various system settings: Time Zone (GMT+01 Amsterdam, Berlin, Rome, Stockl), System Time (28/10/2019 14:15:29), Date Format (Day/Month/Year), Time Format (24-Hour), DST (ON), Synchronous (NTP), NTP Server (time.windows.com), and Video Format (PAL). At the bottom, there are 'Previous' and 'Next' buttons. A red arrow points to the 'Next' button.

The Wizard screen displays the Admin Password Setup section. It includes fields for Username (admin), New Password (admin), and Confirm Password (admin). There are checkboxes for "Display Password" (checked) and "Log In Automatically". There is also a "Pattern Lock" section with an "Enable" checkbox and an "Edit" button. At the bottom, there are 'Previous' and 'Next' buttons. A red arrow points to the 'Next' button.
